Mother Goose

by Limelight Scripts

Mother Goose may have a heart of gold but she has no money in her pocket. The rent is due and the wicked Squire Blackheart is threatening to evict her, Gertie the goose and her two sons, Jack and Silly Billy. Jack loves Jill, niece of Squire Blackheart, and Billy keeps losing Gertie. To make matters worse, the evil Count Down is battling with Fairy Fluff as to whether good or evil will prevail in the village.

Fairy Fluff rewards Mother Goose for her kindness, magically Gertie lays a golden egg and suddenly everything changes. Mother Goose gets a proposal of marriage, the Squire's wicked bailiffs, Honk and Hiss, get a shock and something sinister is happening at Black Rock.

All will be revealed at Shipham Village Hall with lots of songs, laughter and audience participation. So why not chase away those winter blues and join Mother Goose and her friends for this traditional family panto which is guaranteed to send you home smiling.

We have pegged our prices at last year's level - £3 for 18s & under and £7 for adults - meaning a family of four can enjoy a wonderful evening out for only £20. Early booking is advised as tickets, particularly for the Saturday matinee, always sell fast.

Tickets will be available from Lenny's on Saturday 17th January from 10am and thereafter from Hansford's, The Square, Shipham.

Payment is by cash or cheque only and sorry but we cannot take telephone bookings.
